

# EOT PERIMETER CLINIC

May 2, 2009

**Tony Pappas:** Once again we will be bringing in Nationally Acclaimed high school coach Dr. Anthony Pappas from Waterloo, Iowa. Perimeter clinic is held at Oregon City High School gym. (19761 S. Beaver creek Rd). Tony has tremendous expertise in this area having coached 8 High School All-Americans including the 1999 National Player of the Year and 3 Collegiate All-American including Molly Goodenbour (NCAA MVP Final Four). Tony has held this clinic for the past 18 years for us in Oregon. You will learn the moves that all players need to have to play facing the basket. These moves will help you master the perimeter position. Tony is an outstanding fundamentalist, who teaches with great attention to detail and technique. He was selected by Blue Star to run their very first college post camp in Santa Barbara. He is very active putting on High School and College clinics throughout the nation. It is an outstanding time to come and find out your weaknesses and new moves to enhance your game. You will need to come with an attentive mind to take all the tips and learning tools with you. With the college game going more to motion offenses we also feel that post players could really benefit from this one day clinic to improve their total game.

**Lynette Wadsworth:** This spring we are bringing back Lynette (Grondin) Wadsworth. She played for Oregon City 1998-2002 and received a basketball scholarship at Boise State. There Lynette was a three year starter at point guard before a knee injury ended her career. She now is a NASM Certified Personal Trainer with an emphasis on speed and quickness. We are excited to add Lynette to our EOT staff.

Clinic hours will be from 8:30am-11:45pm and 12:45pm-4:00pm. Players will have time for lunch on their own. This clinic sells out quickly! Coaches are invited to attend, take notes and video.

The cost of the clinic is \$75.00. We will once again limit the number to 80 players. Players from 7th grade to Junior college are welcome. Players will be put in age groups. The clinic fills up quickly, so please get your registration in as soon as possible. When you register, keep this information as your confirmation. We will call you if we receive your registration after the camp is full. The camp has sold out all 17 years, so if you plan on coming send it in quickly. **Send in the registration as soon as possible.**

Registration Form below:

EOT PERIMETER CLINIC    ENTRY FORM:
